

# ASSIGNMENT 2

Watch the two videos taken from 'Mona Lisa's Smile' and using the lens of 'Bloom's Taxonomy' identify and discuss which levels in the cognitive domain each video sample is targeting. Discuss also how these levels are reflected in your own practice. (Guide <600 words: 100 - 150 words per section)

VIDEO 1	YOUR OWN TEACHING
<ul style="list-style-type: none"> <li>- Watch Video 1 on 'Mona Lisa's Smile'</li> <li>- Describe what the teacher did</li> <li>- Describe what the students did</li> <li>- What level(s) in the cognitive domain are being targeted?</li> <li>- Outline why you believe these levels in Bloom's Taxonomy are being targeted?</li> </ul>	<ul style="list-style-type: none"> <li>- Think about a lecture that you felt did not go so well for you, where your felt your students did not learn.</li> <li>- Describe what you did</li> <li>- Describe what your students did</li> <li>- What level(s) in the cognitive domain were you targeting with this approach/teaching strategy?</li> <li>- Outline why you believe these levels in Bloom's Taxonomy were targeted in this session?</li> <li>- With reference to the levels in Blooms Taxonomy, briefly outline what you could do to improve this session.</li> </ul>
VIDEO 2	YOUR OWN TEACHING
<ul style="list-style-type: none"> <li>- Watch Video 2 on 'Mona Lisa's Smile'</li> <li>- Describe what the teacher did</li> <li>- Describe what the students did</li> <li>- What level(s) in the cognitive domain are being targeted?</li> <li>- Outline why you believe these levels in Bloom's Taxonomy are being targeted?</li> </ul>	<ul style="list-style-type: none"> <li>- Think about a lecture that you felt went well for you, where your felt your students really learned.</li> <li>- Describe what you did</li> <li>- Describe what your students did</li> <li>- What level(s) in the cognitive domain were you targeting with this approach/teaching strategy?</li> <li>- Outline why you believe these levels in Bloom's Taxonomy were targeted in this session?</li> <li>- On reflection and with reference to the levels in Bloom's Taxonomy, briefly outline what you could do to improve this session.</li> </ul>
